Perry Senior Citizens Services
Bad Weather Procedures
Your safety is VERY important to us!

When the weather is bad enough that Perry Township Schools are CLOSED, generally so is Perry Seniors for meal routes!

Pat has phone numbers of the meal delivery volunteers at her home. She will call you when something changes.

Check Channel 8 – Perry Seniors meal closure will be listed there - first thing in the morning.

MEAL DELIVERIES: CICOA and the caterer must decide very early in the morning (sometimes even at midnight) if they are going to cook and try to deliver the food to all sites like us.

As soon as we know we are not getting food, we will publish on Channel 8 and call the drivers.

MEDICAL TRIPS: Please call the client to cancel – they won't want to go out either. Call our office to let us know the trip did not happen.

Dialysis patients are instructed to call the police to get to dialysis in a snow emergency.

In an emergency, Pat's home number is 317-786-0234, and Peggy's cell is 317-658-0362. Please don't call before 6 am or after 9 pm.

SEE YOUR AD HERE!!

Perry Senior Services will begin accepting ads for the PSST newsletter in January 2016. The PSS Newsletter is published bi-monthly and is circulated throughout Perry Township. It is also published on the Perry Senior Services website www.perryseniors.org and sent out to a group through email.

Please contact Peggy Bryson, Executive Director, at 783-9231 for more information.
