Join us for our:

2019 PERRY SENIORS & FRIENDS GOLF OUTING

Wednesday, September 25th

Winding River Golf Course

Shotgun at 12:00

We will have 136 golfers ready to enjoy a day of golf, cart, green fees, lunch/dinner, prizes and education from our sponsors. Registration begins at 10:30, sponsors take their places at 11:30, and golf starts at Noon. Dinner will start when the golfers come in at approximately 5:30.

All monies earned at this charitable event are donated to *Perry Senior Citizens Services, a nonprofit organization supporting senior citizens in Perry Township.* Perry Seniors has been helping seniors for 40+ years and we continue to make a difference every day. Last year, we served approximately 2,260 meals at our CICOA Senior Meal site, while our volunteers drove over **1,653 medical trips driving over 20,000 miles!** We provide services to senior citizens that maintain or enhance their quality of life and help them maintain independence by making sure they have transportation to and from their medical appointments. Each day we share smiles and meals with people who may not see anyone else that day. We are excited that our golf outing brings so many people who want to support our seniors in one place!
